Fluff-Up Your Pet's Cover

Wellness Benefits (R69pm) & Wellness Benefits Plus (R129pm)

Give your pet the royal treatment they deserve with added cover for emergency boarding, sterilisation, microchip, alternative treatment, routine care, and more. Available on the Vital, Elite, and Deluxe plans.

Cover Gap Extension (plan-specific premium)

Mind the gap! Remove specific limits to give you extra cover when you need it most.

Funeral Support (R21pm)

Goodbyes are hard, paying for everything shouldn't be. We'll contribute towards the cremation or burial costs in the unfortunate event of your beloved pet's passing.

Excess Buster (plan-specific premium)

Say goodbye to unexpected costs. Avoid any surprises and reduce the amount you're liable to pay if you need to claim.

What you should know

Waiting periods

Accidental claims: 0 days.
Illness claims (except on Ultimate plan): 30 days.
Illness and wellness claims on Ultimate plan: 60 days.
Hereditary claims: 12 months.

Plan upgrade: These waiting periods are applicable at inception and again when upgrading cover. This means that your new cover limits will only be effective after the end of the applicable waiting period.

Excess

10% or 20% of claim (minimum R200). On all illness claims where the pet is younger than 6 months, an additional excess of R300 will apply. Zero excess on illness claims for pets older than 6 months on the Vital plan (illness cover limited to 50%).

Ts & Cs and possible exclusions may apply and can be obtained by emailing u2us@dotsure.co.za. Risk profile and policy dependent. Limits and prices displayed applicable as at date of print and may be subject to change.
